

RHCP Lifetime Achievement Award

Purpose: The nominee demonstrates dedication to continuing education, professional development and life long learning

Eligibility: Exemplary achievements, where the work demonstrates a high degree of expertise, creativity, imagination, perseverance and/or dedication.

The nominee:

- a) Participates in innovative program planning
- b) Contributes to the professional development of colleagues and encourages an atmosphere of learning and a quest for knowledge
- c) Serves as a role model to others and fosters a positive work environment
- d) Actively participates in volunteer opportunities

Nomination Deadline: February 15th 2008

How to Nominate: Nominations will be accepted from any RHCP member, and should consist of the following:

- Award nomination cover letter detailing research, accomplishments and contributions
- Curriculum Vitae of the nominee
- Nominations may be mailed, emailed or faxed to:
